LOG NOTE of Chief, Asia/Africa Division - 23 January 1975

STAT

[] In accordance with the 17 January 1975 memo of Chief Production Group concerning JPRS publication of press agency materials, from AGENCE KHMER DE PRESSEE (AKP) will no longer appear in the GUO version of TRANSLATIONS ON SOUTH AND EAST ASIA but will be placed in the uncontrolled version. In actuality FBIS is not purchasing the publishing rights to AKP but is merely purchasing a copy of the bulletin and the caveat forbidding reproduction without authorization is still in effect. Nevertheless this is not strictly a copyright and Cambodia is not a member of the Copyright Union. Therefore FBIS is under no obligation to abide by the caveat. FCS agrees with this interpretation. Our use of the GUO report for this material originated at the time Prince Sihanouk was in power and relations with the U.S. were tenuous at best. Even we felt at the time that the caveat was not binding on FBIS but we honored it in order to avoid any possible confrontation with Sihanouk on this score. Times have changed and so should we.
